

April 11, 2008

Basic website cost and design requirements

- Initial common layout and design = \$300
- Each basic page = \$100
- Basic page includes 1-2 photos
- Basic page includes design and layout of text and photos
- Links to basic North Dakota websites

Your responsibilities:

- Purchase/register domain name and server (can be provided for a charge)
- provide exact wording desired per page
- provide banner text or banner photo to use on each page
- provide list of approved links for common websites

Upgrades and options for website

- Unique layout and design = \$300 set-up fee per website
- Personal animated graphics and text = \$100 per hour
- Custom banner with photos or text = \$100 per hour
- Photos scanned, enhanced, cropped by designer = \$25 each photo
- Set up blogspot = \$100
- Adding calendar to blogspot = \$50
- Other special alternatives available per request = \$100 per hour

Check out other websites I have designed:

- www.senatorolafson.com
- www.thingvalla.org
- www.august2nd.com
- www.olafanderson.com
- www.justinandmacey.com
- www.rootstotrees.com

I appreciate the opportunity to assist you!

Sincerely,

Pam Furstenau
